

PLUMBER (MPS)

THE PURPOSE of this position is to install, replace, repair and maintain plumbing components and plumbing systems in all of the Milwaukee Public School buildings and structures throughout the City of Milwaukee. The School Board expects Plumbers to be able to perform the functions typically associated with this trade at the journey level.

ESSENTIAL FUNCTIONS:

- Install, replace, repair and maintain plumbing equipment, fixtures and all piping of sewer and water services from the lot line to plumbing fixtures and stack terminals inside buildings;
- Service, repair and remodel storm sewers, conductors and roof terminals;
- Service and repair low pressure gas piping and kitchen gas appliances;
- Repair and maintain closet and urinal flush valves;
- Repair and maintain solenoid valves and thermostatic gang shower mixers;
- Install, replace and repair swimming pool components;
- Operate and use customary power tools associated with the trade;
- Work independently and generally without assistance on plumbing projects and
- Perform other related functions as assigned.

MINIMUM REQUIREMENTS:

1. In compliance with State of Wisconsin Statute 145.06 (1) (a), candidates must have a valid State of Wisconsin Plumber's license at time of application and throughout employment.
2. Certification in the EPA Asbestos Abatement Training Program and confined space training within 6 months of appointment.
3. A valid driver's license at time of appointment and throughout employment; availability of a properly insured personal vehicle in which tools and equipment can be carried from job to job (car allowance provided).
4. Must furnish basic tools of the trade.
5. Residency in the City of Milwaukee within 6 months of appointment and throughout employment.
6. Good physical condition as evidenced by successful completion of a City of Milwaukee medical examination, including back assessment, flexibility and cardiopulmonary assessment, and ability to move and transfer objects 100 pounds or more.

KNOWLEDGE, SKILL AND ABILITY REQUIREMENTS:

- ❖ Knowledge, skills and abilities needed to perform the duties described above at the journey level.
- ❖ Knowledge of standard plumbing procedures
- ❖ Ability to read mechanical and architectural blueprints
- ❖ Knowledge of safe working practices
- ❖ Skill in working with hand and power tools of the trade
- ❖ Ability to solve complex technical problems and make sound technical judgments
- ❖ Physical ability that allows performance of duties with or without reasonable accommodation
- ❖ Ability to move and transfer objects 100 pounds or more

THE CURRENT HOURLY WAGE (MPS-FF50) IS: \$32.40 per hour (prevailing wage)
